EDUCATION

B.Tech, Computer Science & Engineering RMD Sinhgad School of Engineering	2023 - 2027
Senior Secondary (XII), Maharashtra State Board Of Secondary And Higher Secondary Education Science Fergusson College Pune Percentage: 59.33%	2022

PROJECTS

[URL Shortner ↗](#)
Jul 2025 - Aug 2025

A simple URL Shortener project built with Next.js and MongoDB. I created this project while exploring the Next.js framework and learning how to handle dynamic routing, API routes, and database integration.

[React Native Finance Tracking Application ↗](#)
Jul 2025 - Aug 2025

Finance Tracking Application is a full-stack expense tracker built with React Native (Expo), Express, and PostgreSQL (Neon). It offers secure email-based login via Clerk, fast performance with Redis rate limiting, and real-time balance updates. Users can easily manage income and expenses, boosting financial awareness and control on the go.
